**REPORT AND RECOMMENDATION**

Pursuant to W.D. MICH. L.CR.R. 11.1, I conducted a plea hearing in the captioned case on November 16, 2006, after receiving the written consent of defendant and all counsel. At the hearing, defendant Jesus Chavez Munoz entered a plea of guilty to the Indictment charging him with conspiracy to distribute and possession with intent to distribute more than 500 grams of a mixture or substance containing a detectable amount of methamphetamine, in violation of 21 U.S.C. §§ 846, 841(a)(1), and 841(b)(1)(A)(viii). There is no written plea agreement. On the basis of the record made at the hearing, I find that defendant is fully capable and competent to enter an informed plea; that the plea is made knowingly and with full understanding of each of the rights waived by defendant; that it is made voluntarily and free from any force, threats, or promises; that the defendant understands the nature of the charge and penalties provided by law; and that the plea has a sufficient basis in fact.

I therefore recommend that defendant's plea of guilty to the Indictment be accepted, that the court adjudicate defendant guilty of the charge. Acceptance of the plea, adjudication of guilt, and imposition of sentence are specifically reserved for the district judge.

The Clerk is directed to procure a transcript of the plea hearing for review by the District Judge.

Dated: November 16, 2006
